

CHES PROGRAM EXTENSION REQUEST FORM

For Office Use Only	
Proposal Number	PP _____
Date Received	_____

PLEASE TYPE ALL INFORMATION
SUBMIT ORIGINAL AND 3 COPIES

COLLABORATORS AND AFFILIATIONS: Name (First and Last), Affiliation with complete address, telephone and Fax number. Please list Principal Investigator first. The Principal Investigator will be the group's primary contact with CHES. (Collaborators, for example, include all authors of the paper that would describe the use of the CHES data.)

PROPOSAL TITLE:

- 1) On an attached sheet, please summarize and list the major accomplishments of this work to date.
- 2) On an attached sheet, please list the experiment(s) you plan to pursue next.
- 3) Estimate how much beam time you will require. _____
- 4) Hazardous materials: Are there any new hazardous materials, changes in the amount, handling, or procedure associated with hazardous materials? See <http://www.chess.cornell.edu/onlnquiz/pages/hzrdmts.htm>
YES ___ NO ___

If YES you must complete "DECLARATION OF HAZARDOUS MATERIALS" for ALL materials. If NO, the original procedures submitted for this proposal will be adhered to.

- 5) There are no charges for non-proprietary access to CHES. However, we do have to justify your productivity to our sponsors. Please list all publications involving CHES data that have not previously been reported to CHES, even if you forgot to acknowledge CHES. Don't worry if you can't recall if a paper had already been reported - we can easily cull duplications.
