

CHES STANDARD PROPOSAL FORM

PLEASE TYPE ALL INFORMATION
SUBMIT ORIGINAL AND 15 COPIES OF PROPOSAL

For Office Use Only	
Proposal Number	P _____
Date Received	_____

COLLABORATORS AND AFFILIATIONS: Name (First and Last), Affiliation with complete address, telephone and Fax number. Please list Principal Investigator first. The Principal Investigator will be the group's primary contact with CHES. (Collaborators, for example, include all authors of the paper that would describe the use of the CHES data.)

PROPOSAL TITLE:

ABSTRACT (1/2 PAGE ONLY)

STANDARD PROPOSAL FORM (page 2)

- 1) Is this a new proposal?() or a continuation of an active CHESS proposal?()
- 2) If a continuation, what is the active proposal number? _____
- 3) Based on the existing CHESS facilities, indicate which station/s you think will satisfy your needs please visit:
<http://www.chess.cornell.edu/aboutus/index.htm>
or call a staff member. See contact numbers at:
<http://www.chess.cornell.edu/staff/index.htm>
- 4) Estimate how much beam-time you will require to perform your experiment.
- 5) What equipment will you require that is available at the facility? _____ Be specific.
- 6) What equipment do you expect to bring with you?
- 7) **HAZARDOUS MATERIALS:** Are HAZARDOUS MATERIALS Involved in this experiment: This includes any radioactive materials, radiation producing sources, toxic and explosive substances. See
<http://www.chess.cornell.edu/onlnquiz/pages/hzrdmts.htm>
- YES _____ NO _____

If YES you must complete "DECLARATION OF HAZARDOUS MATERIALS" form

<http://www.chess.cornell.edu/prposals/forms/hzrdmtv7.doc>

If NO you much complete "DECLARATION OF NON-HAZARDOUS MATERIALS" form

<http://www.chess.cornell.edu/prposals/forms/nhzrdsv7.doc>

- 8) If your experiment requires special equipment for hazardous or especially sensitive materials, please list type of equipment.
- 9) **BODY OF PROPOSAL:** If possible, please restrict this to LESS than about 10 typewritten pages. Give a brief background for the experiment or program and how it relates to other current work, with appropriate but not extensive references.
- 10) There are no charges for non-proprietary access to CHESS. However, we do have to justify your productivity to our sponsors. Please list all publications involving CHESS data that have not previously been reported to CHESS, even if you forgot to acknowledge CHESS. Don't worry if you can't recall if a paper has already been reported - we can easily cull duplications.
