VIRTUAL POSTER SESSION

1. POSTER SLAM (60-seconds each)
   June 9th - via Zoom
   - One-minute-long introductions to your research via Zoom (will be cut off at one-minute), then the next person will present
   - Can share screen, or show face
   - Moderated by the CHESS staff
   - This is live, and there will most certainly be “technical difficulties”

2. BREAKOUT SESSION Via Zoom
   (30 minutes total, concurrent sessions)
   - Posters and Presenters will be sorted into groups according to their scientific research.
   - Each group of presenters (and audiences) will be led and moderated by a CHESS Staff Scientist.
   - Each presenter will have 3 minutes to give a more in-depth presentation about their research.
   - Q&A for remaining time.

3. WEBSITE DISPLAY - Q&A
   June 8-12
   - Posters will have their own page on the CHESS website.
   - Comments will be enabled for “discussion” with the author.

POSTER SUBMISSION
- Posters must be submitted as PDFs or PowerPoint (five slides maximum), or short videos (3 minutes or less)
- Posters must be accessible online and readily able to embed on the CHESS website
- Titles and Abstracts must be submitted by May 20th, 2020
- Posters must be submitted by June 1st.

HINTS FOR A SUCCESSFUL POSTER
- Creative use of technology to present your poster & research
- Poster Slam participation
- Ability to communicate your research during the breakout room
- Engagement in the Q&A portion on CHESS website
